- The number of workbooks purchased will equal the number of online student profiles unlocked for your school. This number will lock on your online account.
- If you would like to add extra students after the initial order, simply email us at info@spellingsforme.ie and we can look after this for you.

Choosing a Workbook

As you can see the workbooks are not called 1st class, 2nd class, 3rd class, 4th class, 5th class or 6th class.

Teachers should look through the workbooks- looking at the types of games/activities and decide what is suitable for their class maturity level. A strong speller and a weak speller in the same class can use the same workbook. The differentiation comes from the online profile.

E.g. Workbook A may be suitable for a 1st class or a 2nd class. It could also be used for a young 3rd class.

Multi class teachers: You can order the same workbook for your whole class. The online profile will provide differentiation according to their ability.

Administration:

**If you would like Spellings for Me to set up/organise students and teachers in your school, please fill out the information below. Please leave blank if you will do this yourself. Set up is free. We recommend sending us this information before the summer break as wait times can be longer in September. It does not have to be sent in with the order form and can be sent at a later date.*

15.A Student Profiles/ Class Lists

If you wish to add new children to the programme, please provide a class list. Please include the standard and class teacher's name.

(E.g., The title of the list could be '4th Class 21/22- Mr James Barry')

You can attach this separately in your email.

Please ensure that we can copy and paste from this attachment. E.g., Excel file, Aladdin file, Word document etc.

15.B Important: Students and teachers already uploaded to *Spellings for Me* will keep these same accounts year after year. They do not need to be uploaded again as this would result in duplicated users. Fill in the relevant information below and we will move these children on to their next class folder with the appropriate teacher. See example in Line 1. Leave this section blank if this is not applicable to your school.

If you would like to do this yourself, please find instructions linked [here](#). You can also watch a useful YouTube video linked [here](#).

17. If you would like us to delete users, please send us a list of pupils to be deleted. You can also do this yourself by following the instructions linked [here](#). Teacher profiles can also be deleted.

Please email this form to info@spellingsforme.ie in **Word format**.
